INTRODUCTION

The Department of Administration encourages and exercises leadership in the development of effective personnel administration for agencies in State government. The Department fosters and develops programs for recruitment and selection of capable persons for permanent, seasonal, temporary, and other types of positions and for the improvement of employee effectiveness.¹

The Department, also, develops a personnel classification plan for state positions and classes of positions in state service, and administers a market-based compensation system necessary to attract and retain competent and qualified employees.²

The Employee Profile answers the most frequently asked questions about state employees. The profile also serves to report to the Governor on the status of the Equal Employment Opportunity (EEO) program, required by Executive Order 24-81.

Chapter I contains general statistical information about state employees in Executive, Legislative and Judicial Branches of government (see organizational charts), such as the number of employees by agency, regular versus temporary/seasonal employees, employee leave information and EEO status (race, sex and age) by agency.

Chapter II contains information on the Equal Employment Opportunity and Classification and Pay Programs and includes information on employee compensation by pay plan and EEO (occupational) category.

The Employee Profile covers the period from January 1, 2004 to December 31, 2004 for reports showing new hires, transfers, terminations and leave taken for vacation, sick and compensatory time. Other reports are a snapshot of the workforce as of the 2005 date on the report. The last Employee Profile was produced March 2, 2004.

CHAPTER II

EQUAL EMPLOYMENT OPPORTUNITY AND CLASSIFICATION AND PAY PROGRAMS

In 1981, the State of Montana affirmed its commitment to fair employment practices with the Governor's Executive Order 24-81. This Executive Order commits the executive branch of government to an Equal Employment Opportunity (EEO) program. The program objective was to "eliminate discrimination in personnel salaries and procedures, job structuring and classification, hiring, firing, promoting and training." The Department of Administration is required to implement and maintain the program.

Table A compares statistics for this year to 2004.
